

Fred D. Rachman, MD

Fred D. Rachman, MD received his Bachelor of Arts degree in Biology from Johns Hopkins University, Baltimore, Maryland, his Doctor of Medicine degree from Temple University, Philadelphia, Pennsylvania and completed his residency in Pediatrics at Albert Einstein Medical Center, Philadelphia, Pennsylvania. He is Board Certified in Pediatrics, and completed post graduate courses in Ethics, Economics and Health Care Management at Harvard University School of Public Health.

Dr. Rachman has more than 20 years experience in primary health care delivery and administration, and extensive experience in Community Health Center leadership and in directing Community Health Center programs and projects including research initiatives funded by NIH and CDC. He served as Principal Investigator for the HRSA and AHRQ funded EQUIP project to incorporate national performance measures and associated clinical decision support into a commercial EMR. He is presently serving as Chief Executive Officer of the Alliance of Chicago Community Health Services, a HRSA funded Health Center Controlled Network which supports a centrally hosted electronic health record system shared by 28 Safety Net Health Centers. He also serves as Co-Director of the Chicago Health Information Technology Regional Extension Center.

Dr. Rachman is Attending Physician in Pediatrics at Children's Memorial Hospital and Northwestern Memorial Hospital and has seen patients as a Pediatrician at Erie Family Health Center in Chicago for 25 years. He was past chair of the Ambulatory Healthcare Organizations Task Force for the Health Information Management Systems Society and current vice Chair of the Ambulatory Committee, and serves on the Illinois Health Information Exchange Advisory Committee.

Dr. Rachman previously served as Medical Director at Howard Brown Health Center and Erie Family Health Centers, and was a field representative for the Joint Commission on Accreditation of Healthcare Organizations (JCAHO) conducting accreditation surveys and providing field education from 1998 through 2006.
